

---

TSV Pfuhl 1894 e.V. is the second largest sports club in the district of Neu-Ulm, with around 3.000 members and 12 sports divisions. We are the club when it comes to versatile gymnastics in the sense of popular and competitive sports at all levels of performance and design. We are a member of the Bavarian Gymnastics Association (BTV) and make up over 30% of the junior squad in gymnastics male. Our first team competes in the 1st Bundesliga of the German Gymnastics League and all our team members come from our own junior team. We cooperate very closely on a national and international level with associations and clubs and have made a name for ourselves in the fallow land by relying exclusively on our own young talent and achieving a high quality. We operate our own high-quality new performance center and thus have perfect conditions to be able to offer high-class competitive sports.

---

**For the support of the Bundesliga team, as well as the young athletes at the regional base Neu-Ulm/Pfuhl, mainly in the greater Ulm/Neu-Ulm area - we are looking for a full-time (40 hours/week) as soon as possible:**

### **Full-time trainer Gymnastics male**

The venue is the regional base Neu-Ulm/Pfuhl and all competition venues of the athletes

We are looking for a trainer with strong communication and social skills. In addition to the sporting and technical knowledge, the position of the assistant coach requires the willingness to work in a team and to cooperate with associations and training-accompanying institutions.

#### **Tasks**

- Competitive sports-oriented training in the junior sector and introducing the athletes to the national top
- Preparation, organization, coordination and implementation of internal management courses and training camps
- Support of the athletes of TSV Pfuhl in all age groups in consultation with the base coach
- Talent screening
- Training control and competition planning in consultation with the base trainer
- Participation in trainer training and further education

#### **Your profile**

- Diploma Trainer Studies or DTB Trainer A-License, if applicable. B-License Gymnastics Male or comparable International Qualification
- Experience in competitive sports
- Pedagogical and psychological skills, team and cooperation skills, creativity, flexibility, reliability, independent and conceptual work
- Willingness to participate in regular training courses
- Willingness to work also in the early morning and late evening, as well as on weekends
- Driving licence class B
- Submission of an extended certificate of good conduct according to § 30a Abs. 2 BZRG

#### **Interested?**
